

City of Shelby Cross Connection Program Approved List of Certified Backflow Testers

PLEASE NOTE:

- Only the testers listed below are currently approved to test in the City of Shelby's Water System.
- Test results from unapproved testers will **NOT** be accepted.
- Always have the tester to commit to a date that they will perform your work and request a copy of the results from your backflow assembly testing.
- Companies interested in becoming approved by the City of Shelby for testing should contact Myron Edwards for requirements.
