

**Schedule RESCTY**  
**Effective July 1, 2023**  
Replaces schedule effective 7/1/2022

**RESIDENTIAL WATER SERVICE (CITY)**

**AVAILABILITY**

Metered water service will be provided to consumers within the City limits of Shelby for residential use, where access to existing facilities is feasible.

**RATE**

Customer Charge Per Consumption Unit	\$15.44 per billing period
Volume Charge (per 1,000 gallons used per billing period)	\$2.65

The minimum bill is the Customer Charge.

**CONDITIONS**

New service generally requires a separate water meter to serve each dwelling, townhome, duplex, apartment complex, or other such residential consumption unit.

In existing service where one meter serves more than one consumption unit, each unit will be considered to carry one customer charge per billing period, regardless of individual or aggregate consumption.

**Schedule RESRUR**  
**Effective July 1, 2023**  
Replaces schedule effective 7/1/2022

**RESIDENTIAL WATER SERVICE (RURAL)**

**RATE**

Volume Charge (per 1,000 gallons used per billing period) \$3.12

**CONDITIONS**

Irrigation Systems – Commercial and Residential

All irrigation systems installed where water is provided by the City of Shelby must be connected to a separate irrigation meter installed by the City of Shelby. The City of Shelby requires the installation of a backflow assembly prior to the initiation of water service. At a minimum and consistent with the North Carolina Administrative Code “Rules Governing Public Water Systems”, the City of Shelby will require the installation of Reduced Pressure Zone (RPZ) device for adequate water system protection. To inquire about fees and obtaining an irrigation meter, call (704) 484-6866.

Once installed, please contact Customer Services (704) 484-6866 for an inspection of backflow prevention assembly. Once the assembly has passed inspection, the meter will be activated by the City of Shelby Utilities.

An initial test of the Reduced Pressure Principle (RP) backflow assembly and annually thereafter, is required. The customer is responsible for this testing and shall be responsible for submission of the *Backflow Prevention Test and Maintenance Report* to the City within 30 days of testing. All testing must be conducted by a contractor licensed by the State of North Carolina for testing of backflow prevention assemblies. A list of approved testers is available at [www.cityofshelby.com/backflow](http://www.cityofshelby.com/backflow). Testing information shall be forwarded to:

City of Shelby Utilities - c/o Backflow Prevention  
824 W Grover St  
Shelby, NC 28150

For additional questions regarding the Backflow Prevention program and/or assembly please contact City of Shelby Utilities at [backflow@cityofshelby.com](mailto:backflow@cityofshelby.com).
