

Drinking Water Week 2024

Drinking Water Week takes place during the first week in May – from May 5 to 11 this year. In our daily lives, we drink water without thinking about where it comes from and if it is safe for us.

Sponsored by the American Water Works Association, Drinking Water Week helps us think about the significant role safe drinking water plays in keeping us healthy.

The City of Shelby's Water Resources Department would like to remind you that behind every drop of water you drink, there is a hard-working team of staff who are committed to providing safe drinking water to you 24 hours a day, 365 days a year!

In 1962, President Kennedy proclaimed May 15 as National Peace Officers Memorial Day and the calendar week in which May 15 falls, as National Police Week.

Established by a joint resolution of Congress in 1962, National Police Week pays special recognition to those law enforcement officers who have lost their lives in the line of duty for the safety and protection of others.

The City of Shelby is extending an invitation to join us for the National Police Week Memorial Service at the Fallen Heroes Memorial on Thursday, May 16, 11:30 am.
